By The Moon (Blood Mates Book 3) by. K. Grey. · Rating details · 5 Ratings · 1 Review This is the third book in the Blood Mates series. Talon's story. Talon loved the idea of having a mate to spoil and treat like a queen. He always wanted the loving perfect relationship his parents had/5(1). In Blood Moon, the second installment in Alicia Montgomery's True Mates series, Nick and Cady's distant and somewhat frosty relationship heats up. I love the dichotomy of Cady as she is warm and distant simultaneously/5.
