"Doctor Who": The Betrothal of Sontar (Dr Who Tenth Doctor 1) is a collection of Doctor Who comics and is rather pricey, but all I have to say is, "Worth every penny!" Not only does it have really good artwork and spot on story lines, but a lot of insider and historical information that is a real treat for the avid Doctor Who fan. The Betrothal of Sontar was the tenth volume of the Panini Publishing series of Doctor Who Magazine comic collections, and the first to feature the Tenth Doctor. It included those Tenth Doctor DWM strips with the earliest release dates, and thus featured Rose Tyler, with significant guest-appearances by Jackie Tyler, Mickey Smith and the hellofromsandy.come date: 6 October
