Draconian Path is based on the self-initiatory magic of the Nightside. It holds the mystery of initiatory transition of the soul from a mortal being to Godform incarnate through spiritual death and rebirth in the Womb of the Dragon and in the hearth of Draconian Fire. The direction of life force [collected through the NRG Grids] is hierarchical and managed by the Alpha Draconis system in the Orion Constellation, however multiple conflicts exist within the system and the fight for its resources exist among many species, the reptilian and draconian levels of contingents. There is a vast system of bottom feeders and defectors.
