Esoteric Christianity (also known as Hermetic Christianity or Mystic Christianity) is an ensemble of spiritual currents which regard Christianity as a mystery religion, and profess the existence and possession of certain esoteric doctrines or practices of which the public is unaware (or even to which they may be denied access) but which are understood by a small group of people. Esoteric Christianity refers to the occult study and the mystic living of the esoteric knowledge related to what adherents view as the "inner teachings" of early Christianity, seen as a Mystery religion. The term is originally associated with the Essenes and later with the Rosicrucians. Esoteric Christianity teaches that Christianity is a mystery religion and that only a small minority of people ever achieve the enlightenment necessary to crack the arcane teachings of the Bible and truly know God.

Esoteric Christianity & Esotericism Defined. The Bible itself proves esotericism is the true foundation of Christianity. Here are some short excerpts with supporting Bible verses from Richard Smoley's.
