Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - Author: Nicholas Kaldor. - Economic Policy The new economic policy of the united states should include cutting taxes, reducing governmental waste, and balance the budget by having a smaller more efficient federal government. It should include equal opportunity for financial security but not through a government sponsored redistribution of wealth program. Impact of the Global Economic Crisis on Developing Countries In this paper an earnest attempt is made to study the impact of global economic crisis on developing countries which are often become puppets . A collection of macro-economic essays on topics Inflation, Economic growth, government borrowing, balance of payments. Evaluation and critical analysis of all latest issues of the current day. The economic policy of this time was known as 'Reaganomics', and it emphasized using monetary policy to combat inflation, and lower marginal tax rates to restore the reward for work, saving and investing and to boost productivity and growth.
