Exploding Kittens is a highly-strategic, kitty-powered version of Russian Roulette. Players draw cards until someone draws an Exploding Kitten, at which point they explode, they are dead, and they are out of the game.

Exploding kittens is a card game for people who are into kittens and explosions and laser beams and sometimes goats. Family-friendly, party game for players (up to 9 players with 2 decks) This is the most-backed project in Kickstarter history and all Reviews: K. Exploding Kittens is a card game designed by Elan Lee, Matthew Inman from the comics site The Oatmeal, and Shane Small. Originally proposed as a Kickstarter project seeking US \$10, in crowdfunding, it exceeded the goal in eight minutes.
