5. Final Fantasy XII is one of my favorite video games but it can be very complex and although I have played it through several times I still had yet to get everything. Well, now I can after purchasing this beautiful collector's edition guide!Reviews: 3. The strategy guide for Final Fantasy XII has been published many times across different regions. Collector's Limited Edition book published by BradyGames in US on with a walkthrough for Final Fantasy XII. Written by Rick Barba. This version of the guide .

BradyGames has produced another very thorough and engaging turnkey walkthrough of Final Fantasy XII, in this LE version of the strategy guide that includes a separate art collection book and packaging that is standard across other Brady titles.4/5(1).
