International financial markets play an increasingly important role. There can be no doubt that over the past twenty years the size of financial markets have grown at a faster pace than the size of the markets for goods and services. International financial markets play an increasing role in the mind of the general public, much more than they did a few decades ago. There can be no doubt that the size of financial markets has grown at a faster pace than the markets for goods and services in the past ten or twenty years.
