OWNED by Dominic (The Possessed Series Book 1) Kindle Edition Dominic's love for his son is obvious and shows a much softer side to him. Dominic and Dee owned each other's heart just like this author has owned a place on my must read list from the Reviews: This review is from: OWNED by Dominic (The Possessed Series Book 1) (Kindle Edition) I rated this stars. Dominic meets a young, troubled girl and shows her human kindness when she knows little from her father. Deidre grows up with only one image of a hero, but he left her long ago. Until he pops up on her eighteenth birthday to own her.4/5. I devoured author KL Donn's new book OWNED by Dominic like you would not believe. This author has become one of my favorite and after getting glimpses of Dee and Dominic in Kennedy's Redemption, I could not wait to read their story.
