RISE OF THE WOLF is the third installment of best-selling historical fiction author Steven McKay's wonderful Forest Lord series. Set in Barnsdale Forest in Yorkshire Yorkshire (rather than the more familiar Sherwood forest in Nottinghamshire), McKay's reworking of this classic tale is [hellofromsandy.com](http://hellofromsandy.com): Rise Of The Wolf by Steven A. McKay is the third novel in the Forest Lord series about Robin Hood. This is an exciting book filled with adventure and action. Sometimes with other authors, I can predict what is going to happen next in the story but with Steven A. McKay, I'm always surprised. That is what I like most about his [hellofromsandy.com](http://hellofromsandy.com): Rise Of The Wolf is the third in Steven McKay's Forest Lord series, a cycle of Robin Hood stories that place the legendary outlaw in the time frame of King Edward II, a century later than the age of Richard and John when most writers set the story. I have enjoyed McKay's stories to date, but this one impressed me on a new level/5.

Steven A. McKay was born in Scotland in His first book, "Wolf's Head," came out in and was an Amazon UK top 20 bestseller. "Blood of the Wolf" is the fourth and final book in the Forest Lord series which has over 90, sales so far. Steven is currently researching a brand new tale set in post-Roman Britain.
