THE BURIED MIRROR: Reflections on Spain and the New World User Review - Kirkus. A companion volume to an upcoming Discovery/BBC TV series, this passionate meditation on Hispanic cultural identity from Fuentes (Constancia, , etc.) unfolds with all the color, urgency, and 5/5(1).

The Age of Gold is part 3 of Carlos Fuentes's five-part series The Buried Mirror: Reflections on Spain and the New World, and it looks at the Spanish exploration and early colonization of the New World--and the effects that treasures like gold, silver, chocolate, tomatoes, and the potato had on the Old.
