Oct 11, · Engaging, accessible, and teaching readers about the law through fun hypotheticals, The Law of Superheroes is a must-have for legal experts, comic nerds, and anyone who will ever be called upon to practice law in the comic hellofromsandy.coms: The Law of Superheroes takes the fantastic stories, worlds and characters of comic books and analyzes them through the lens of the law. The result is a compelling read, one that answered dozens of questions I've pondered about while reading comics over the years/5. The Law of Superheroes is both entertaining and informative. People who aren't lawyers or law-geeks will learn something about the law, and lawyers and law-geeks will be thoroughly entertained at the application of familiar principles to comic extravaganzas.” 4/5(1).

Oct 01, · "The Law of Superheroes fits two bills nicely; it's both a highly readable survey of basic legal theory and an entertaining exploration of the comic book canon.” —The Wall Street Journal “One of the most subversive and nefarious books of the hellofromsandy.coms: Engaging, accessible, and teaching readers about the law through fun hypotheticals, The Law of Superheroes is a must-have for legal experts, comic nerds, and anyone who will ever be called upon to practice law in the comic multiverse. The Law of Superheroes is a must-listen for legal experts, true believers, and anyone who is ever called upon to practice law in the comic multiverse. © James .
