

Three Neglected Sources of Sasanian History in the Reign of Khusraw Anushirvan (Studia Iranica: Cahiers)

Economics of Macro Issues (7th Edition) (Pearson Series in Economics), Como Ilegal a ser autorresponsable, Napoli - Storia e storie on the road (Italian Edition), Communication: Making Connections, Worlds Championship Matches, 1921 and 1927,

ISBN: Pages: p. Price: 22 EURO Add to cart: Summary: This cahier deals with the criticism of three sources: Dinawari's al-Akhbar al-Tiwal, the so-called Sirat Anusharwan, and Firdawsi's Shahnama. The need to examine these sources arises from a re-evaluation of Noldeke's Khuday-Nama hypothesis; a case is built for the independence and utility of those three sources; and four test cases follow, in which the sources are put to work on issues of central importance in the history of sixth-century hellofromsandy.com: MR Jackson Bonner.
