In Behind the Gas Mask, Thomas Faith offers an institutional history of the Chemical Warfare Service, the department tasked with improving the Army's ability to use and defend against chemical weapons during and after World War One. Taking the CWS's story from the trenches to peacetime, he explores how the CWS's work on chemical warfare Reviews: 3. In Behind the Gas Mask, Thomas Faith offers an institutional history of the Chemical Warfare Service, the department tasked with improving the Army's ability to use and defend against chemical weapons during and after World War One. Taking the CWS's story from the trenches to peacetime, he explores how the CWS's work on chemical warfare continued through the s despite deep opposition to the weapons in both military and civilian circles. But conflict with those aligned against chemical warfare forced the CWS to fight for its institutional life--and ultimately led to the U.S. military's rejection of battlefield chemical weapons. The only current book on the Chemical Warfare Service and its times, Behind the Gas Mask offers a thought-provoking view of the history and place of chemical weapons in American warmaking. In Behind the Gas Mask, Thomas I. Faith offers an institutional history of the Chemical Warfare Service, the department tasked with improving the Army's ability to use and defend against chemical weapons. Taking the CWS's story from the trenches to peacetime, he explores how the CWS's work on chemical warfare continued through the s despite deep opposition to the weapons in both military and civilian circles.
