The art of symmetry - the wall whose arcades are virtually divine - is built upon a cry. Our loftiest desire lies there stifled, like the living beast cast beneath the stone foundations of old." These citations may serve as a warning (or perhaps, as Bonnefoy would say, as a lure) to readers in search of an immediate counsel with regard to works of art. The 16 essays collected here include Bonnefoy's writings on art, aesthetics and poetics. His lyrical ruminations range across centuries and cultures, from Byzantium to postwar France, from the sculptures of Alberto Giacometti to the photographs of Henri Cartier-Bresson. The Lure and the Truth of Painting Selected Essays on Art Yves Bonnefoy France s most important living poet is also a literary and art critic of renown in writing so.
